

Our Lady of the Rosary School Grade 4

3rd going into 4th Grade Summer Activities Math Bingo 2019

Please do IXL for at least 20 minutes a day and a Smartscore of at least 85. I will track the number of problems completed. Keep a journal or notebook to write out new skills and rules. Label the skill you are working on, the date, and show how you solved. I will be collecting it and grading.

Please email Ms. Vargas msvargas@olrwarriors.org for any questions

<p>4th A.24</p> 	<p>Make a list in your notebook on how place value is used in the real world.</p>	<p>4th A.4</p> 	<p>Design a mini poster in your notebook to explain how to add multi-digit numbers with regrouping.</p>	<p>4th B.7</p>
<p>Make a word web for the word SUBTRACTION</p>	<p>4th C.4</p>	<p>Create a number line with multiples of 8</p>	<p>4th D.16</p>	<p>Create a word problem for a friend to solve that involves dividing a multi-digit number by a 1 digit number</p>
<p>4th D.18</p>	<p>Choose a mystery fraction and write 3–5 clues for a classmate to use to guess your fraction</p>	<p>Student Choice Come up with your own way to explain your understanding of multiplication Division Addition Or subtraction</p>	<p>Draw a picture using objects or symbols to illustrate the first 5 multiples of 4</p>	<p>4th E.23</p> 
<p>Use a number line to show the following pattern: start with 5, add 8.</p>	<p>4th F.4</p> 	<p>Give an example of how measurement skills were used in your home recently.</p>	<p>4th M.7</p>	<p>Make a video explaining how you used math in real life this summer. Email video to Ms. Vargas</p>
